WARNING

TO THE PARENT/GUARDIAN OF:

Leslie Emily Rodriguez-Ramirez
1208 Adrian St.
San Marcos, TX 78666

RE: Student Absent from School: Leslie Emily Rodriguez-Ramirez, 503929

Dear SMCISD Parent or Guardian:

Leslie Emily Rodriguez-Ramirez has now 10 unexcused days of school/class within the last 6 months of school. If your child is in elementary or middle school, this may cause her to be retained in her current grade level or not be ready to perform satisfactorily next year. If your child is in high school, this may cause her to lose course credit. High school students not meeting credit requirements will be retained in their current grade level for next year if they are unable to make up the classwork and/or attendance hours.

Failure to attend school may result in a court petition for parent/guardian and/or student (12-18 years old).

Sincerely,

Kashen Greathouse
Principal
MARCUS ALVAREZ

When Do Absences Become a Problem?	
Severe	CHRONIC ABSENCE 18 or more days or parts of days in a school year
Warning	WARNING SIGNS 10 to 17 days or parts of days in a school year
Satisfactory	SATISFACTORY 9 or fewer days or parts of days in a school year

Texas law requires students to attend school regularly and requires parent to make sure their child attends school regularly (Texas Education Code 25.0915). In addition, parents are subject to prosecution (Texas Education Code 25.093) and students to be referred to truancy court (Texas Family Code 65.003(a)) for non-attendance.

HIGH ALERT

TO THE PARENT/GUARDIAN OF:

Jordan Christopher Lampkin
313 Brazoria Trail
San Marcos, TX 78666

RE: Student Absent from School: Jordan Christopher Lampkin, {[StudentUniqueId]}

Dear SMCISD Parent or Guardian:

Jordan Christopher Lampkin has now missed more than 5 unexcused days of school/class within the last three months of school. Excessive school absences lead to lowered performance in student achievement making it more difficult to read, write and do math on grade level. In a typical school year, ten or more absences are excessive and Jordan Christopher Lampkin now has more than 5.

State law requires to attend school regularly in order to remain on grade level and graduate on time with her class. Due to the number of unexcused absences of Jordan Christopher Lampkin, the District requires a face-to-face meeting with you and campus administration to discuss ways in which to improve her school attendance. If your child is between the ages of 12-18 years old, she will be placed on an attendance agreement and referred to additional resources to provide support.

Please be aware that parent/guardians and/or students (12-18 years old) are subject to court proceedings once the student reaches 10 unexcused absences within a six month period. Please call the school Attendance Clerk, April Clark, at 512-757-8491 to schedule an appointment with a school administrator. We look forward to working with you.

Sincerely,

Kashen Greathouse
